For their Complaint against Defendant Facebook Payment Inc., Plaintiffs  
Woodridge Local Schools, Cuyahoga Falls City School District, City of Dayton Public  
Schools, Logan Hocking Local School District, Springfield City School District, Lake  
Local School District (Wood County), Toledo City School District and Northern Local  
School District (collectively, the “School Districts”) hereby allege and state as follows:

1. Plaintiffs Woodridge Local Schools and Cuyahoga Falls City School District are public school districts located in Summit County, Ohio.
2. Plaintiff City of Dayton Public Schools is a public school district located in Montgomery County, Ohio.
3. Plaintiff Logan Hocking Local School district is a public school district located in Hocking County, Ohio.
4. Plaintiff Springfield City School District is a public school district located in Clark County, Ohio.
5. Plaintiff Lake Local School District is a public school district located in Wood County, Ohio.
6. Plaintiff City of Toledo School District is a public school district located in Lucas County, Ohio.
7. Plaintiff Northern Local School District is a public school district located in Perry County, Ohio.
8. Defendant Facebook Payment Inc. is a Florida corporation which does business in Ohio.
9. This Court has jurisdiction over this action pursuant to O.R.C. §§ 2305.01 and 2307.382.
10. Venue is proper in Summit County pursuant to Ohio Rule of Civil Procedure 3(B)(3) and (6).
11. This is an action for avoidance of transfers under the fraudulent transfer statutes of Ohio. Defendant Facebook received more than \$200,000 in payments from a

community school at the same time the school was experiencing several financial problems. Not only did Facebook did not provide reasonably equivalent value in exchange for these payments, it knew about the significant problems the community school was facing at the time it accepted the payments.

12. A “community school” is a school created by a contract between a “governing authority and a supervisory entity known as a “sponsor” and is commonly referred to in Ohio as a charter school. O.R.C. Chapter 3314.
13. The Electronic Classroom of Tomorrow (“ECOT”) was an Ohio community school which operated from 2000 until its operations were suspended in January 2018.
14. ECOT was a kindergarten through 12<sup>th</sup> grade community school which functioned fully online. ECOT had students in all of Ohio’s 88 counties.
15. Ohio’s community schools are funded with two types of public monies: a) State operating funds; and b) Federal grant funds.
16. The state operating funds which community schools receive are transferred from the traditional school districts where the community schools’ students reside.
17. Every dollar of state funding which ECOT received came from other Ohio School Districts, including the Plaintiffs.
18. ECOT received a set amount of state operating funds for each 920 hours of instruction in which its students participate. Each unit of 920 hours is known as a “full time equivalency,” or FTE. A community school obtains those funds by

submitting monthly enrollment reports to the Ohio Department of Education ("ODE").

19. ODE periodically reviewed ECOT's records in order to document ECOT's entitlement to the amount of state operating funds transferred to ECOT. This review process is referred to as an FTE review.
20. In 2016 ODE conducted an FTE review of ECOT for the 2015-2016 school year, and determined that ECOT could not document any basis for 58.8% of the payments ECOT had requested and received from ODE pursuant to O.R.C. § 3314.08. ODE determined that ECOT must return those funds.
21. ODE also conducted a FTE Review of ECOT for the 2016-17 school year and determined that ECOT could not document any basis for 18.5% of the payments it had requested and received from ODE pursuant to O.R.C. § 3314.08. ODE determined that ECOT must return those funds.
22. ECOT appealed ODE's 2015-16 and 2016-17 FTE reviews. These appeals were exhaustively litigated.
23. On May 10, 2017 a state hearing officer issued a report and recommendation concluding that ECOT was unable to document bases for between \$60,054,630 and \$64,054,630 of state funds it had received in 2015-16.
24. The State Board of Education subsequently determined that ECOT must return \$60,350,791 of the state operating funds ECOT had received during the 2015-16 school year. See Exh. 1, attached hereto.

25. In January of 2018 a state hearing officer issued a report and recommendation concluding that ECOT was unable to document bases for between \$19,295,957.70 of state funds it had received in 2016-17.
26. The State Board of Education subsequently determined that ECOT must return \$19,234,109.11 of the state operating funds ECOT received during the 2016-17 school year. *See* Exh. 2, attached hereto.
27. ODE began enforcing the State Board of Education's findings against ECOT in July of 2017 by reducing state operating funds otherwise payable to ECOT and ECOT began experiencing financial difficulties.
28. ECOT's monthly state funding was reduced by approximately \$2.5 million starting in July of 2017.
29. ECOT's state sponsor, the Educational Service Center of Lake Erie West, suspended ECOT's operations pursuant to O.R.C. § 3314.072, effective January 19, 2018.
30. On January 11, 2018, ECOT's sponsor filed an action for appointment of a receiver to protect ECOT's assets. In response to this motion a special master was appointed for ECOT on January 24, 2018.
31. For the fiscal year ending June 30, 2017, ECOT's liabilities far exceeded its assets.
32. Between 2012 and ECOT's January of 2018 suspension of operations, \$1,484,453 in monies that otherwise should have gone to the Logan Hocking Schools were sent to ECOT.

33. Between 2012 and ECOT's January of 2018 suspension of operations, more than \$20,000,000 in monies that otherwise should have gone to the Dayton Public Schools were sent to ECOT.
34. Between 2012 and ECOT's January of 2018 suspension of operations, more than \$3,655,897.98 in monies that otherwise should have gone to the Springfield Public Schools were sent to ECOT.
35. Between 2004 and ECOT's January of 2018 suspension of operations, more than \$440,000 in monies that otherwise should have gone to the Lake Local Schools were sent to ECOT.
36. Between 2012 and ECOT's January of 2018 suspension of operations, more than \$9,123,797.36 in monies that otherwise should have gone to the Toledo Public Schools were sent to ECOT.
37. Between 2002 and ECOT's January of 2018 suspension of operations, more than \$3,367,668 in monies that otherwise should have gone to the Northern Local Schools were sent to ECOT.
38. Cuyahoga Falls City Schools also lost money from state operating funds that were sent to ECOT instead.
39. Between 2003 and ECOT's January of 2018 suspension of operations, more than \$660,557.04 in monies that otherwise should have gone to the Woodridge Local Schools were sent to ECOT instead.
40. O.R.C. § 3314.074(A) governs the distributions of assets of a closed community school and provides that the assets be distributed first to retirement funds to

employees of the school, then to school employees, then to private creditors, and then to ODE for “redistribution to school districts in which the students who were enrolled in the school at the time it ceased operation were entitled to attend school” in an amount proportional to the district’s share of the total enrollment in the community school.

41. This action is brought in order to have ODE redistribute monies, pursuant to O.R.C. § 3314.074(A), to school districts which had students enrolled in ECOT at the time it closed, including the Plaintiffs.
42. This is an action for avoidance of payments made to Facebook Payment Inc. pursuant to the fraudulent transfer statutes of Ohio.
43. In 2016 Facebook was paid at least \$92,903.61 by ECOT.
44. In 2017 Facebook was paid at least \$150,000 by ECOT.
45. In making these payments to Facebook, ECOT transferred an interest in its property in return for which it did not receive reasonably equivalent value. At the time that these payments to Facebook were made, ECOT was insolvent. Consequently, Plaintiffs seek avoidance of the payments made to Facebook in 2016 and 2017.
46. Absent relief from this Court, the Plaintiffs will be unable to recover monies owed.
47. On March 28, 2019, the Plaintiffs verbally asked the Attorney General to pursue these claims, and the Attorney General’s office requested that the Plaintiff make this request in writing. On March 29, 2019, the Plaintiffs complied with this

request and made a written request to the Attorney General that these fraudulent transfer claims be pursued.

48. The Attorney General has not pursued any fraudulent transfer claims against Facebook.

**COUNT ONE**  
**(FRAUDULENT TRANSFER UNDER O.R.C. § 1336.04(A)(2))**

49. The Plaintiffs incorporate by reference the contents of all preceding paragraphs in this Complaint.

50. The transfers to Facebook described above were made without receiving a reasonably equivalent value in exchange for the transfer.

51. In making the transfers to Facebook ECOT was engaged in business or transactions for which its remaining assets were unreasonably small in relation to the business or transaction or ECOT believed or reasonably should have believed that it would incur debts beyond its ability to pay as they became due.

52. The transfers to Facebook were fraudulent under O.R.C. § 1336.04(A)(2).

53. As a direct and proximate result of these fraudulent transfers, pursuant to O.R.C. § 3314.074, ODE, and therefore the Plaintiffs, have been damaged in an amount exceeding \$200,000 and are entitled to a judgment against Facebook in that amount, and any other relief that the circumstances may require.

54. The fraudulent transfers to Facebook were willful, malicious, and done in conscious disregard of the rights of public school districts in Ohio, making an award of punitive damages against Facebook appropriate.

**COUNT TWO**  
**(FRAUDULENT TRANSFER UNDER O.R.C. § 1336.05(A))**

55. The Plaintiffs incorporate by reference the contents of all preceding paragraphs in this Complaint.
56. Plaintiffs' claims arose before the transfers to Facebook described above.
57. ECOT made the transfers to Facebook described above without receiving a reasonably equivalent value in exchange for the transfer.
58. ECOT was insolvent at the time of the transfers to Facebook described above.
59. The transfers to Facebook were fraudulent pursuant to O.R.C. § 1336.05(A).
60. As a direct and proximate result of these fraudulent transfers, pursuant to O.R.C. § 3314.074, ODE, and therefore the Plaintiffs, have been damaged in an amount exceeding \$150,000 and are entitled to a judgment against Facebook in that amount and any other relief that the circumstances may require.
61. The fraudulent transfers to Facebook were willful, malicious, and done in conscious disregard of the rights of public school districts, making an award of punitive damages appropriate.

WHEREFORE, the Plaintiffs, on behalf of ODE and pursuant to O.R.C. § 3314.074, respectfully request the following relief:

- A. An award of compensatory damages against Facebook in an amount to be determined at trial;
- B. An award of punitive damages against Facebook in an amount to be determined at trial;

- C. Avoidance of the transfers to the extent necessary to satisfy the judgment;
- D. Post-judgment interest at the statutory rate;
- E. Attorney's fees and costs; and
- F. Any other relief the Court determines the circumstances require.

Respectfully submitted,

**I RECOMMEND** that the State Board of Education **ADOPT** the following Resolution:

WHEREAS, Section 3314.08(H) of the Ohio Revised Code sets forth a process for the Department to review the full-time equivalent (FTE) student funding that a community school has claimed and received for a given academic year; and

Representative Brenner asked why the higher of the two amounts was brought forth. Mrs. Flory responded that she felt the children and taxpayers were cheated and ECOT should pay the amount back.

Ms. Johnson stated that she was under the impression the lesser amount was given after additional information was presented.

Dr. Morgan called the question.

Ms. Fowler Moved to amend the resolution by Substitution. She Moved to change the overpayment amount to 60,350,791. Mrs. Haycock Seconded the motion. Ms. Fowler stated this is the recommendation of the Hearing Officer that she read and supported.
